

OLDER KIDS: In every job that must be done
There is an element of fun
You find the fun and snap!
The job's a game
And every task you undertake
Becomes a piece of cake
A lark! A spree! It's very clear to see that

ALL: A Spoonful of sugar helps the medicine go down
The medicine go down-wown
The medicine go down
Just a spoonful of sugar helps the medicine go down
In a most delightful way

ALL: A robin feathering his nest
Has very little time to rest
While gathering his bits of twine and twig
Though quite intent in his pursuit
He has a merry tune to toot
He knows a song will move the job along - for

ALL: A spoonful of sugar helps the medicine go down
The medicine go down-wown
The medicine go down
Just a spoonful of sugar helps the medicine go down
In a most delightful way

(Dance break)

ALL: The honey bee that fetch the nectar
From the flowers to the comb
Never tire of ever buzzing to and fro
Because they take a little nip
From every flower that they sip

OLD: And hence (KIDS: And hence),
OLD: They find (KIDS: They find)

ALL: Their task is not a grind.

ALL: A Spoonful of sugar helps the medicine go down
The medicine go down-wown
The medicine go down
Just a spoonful of sugar helps the medicine go down
In a most delightful way
